HAPPY NEW YEAR

We hope that all of you had a wonderful winter break and enjoyed some quality family time. The beginning of a new year is an exciting time to energize ourselves with new ideas and goals for the future!

Announcements:

- We are excited to announce that we have indoor climbing equipment for our children to enjoy when the weather is too cold to go outside.
- We are planning to have a family engagement activity in February, we will be sending out more information soon.
- Classroom teachers will be sending home information regarding Valentine's Day parties next month.

Reminders:

- Please continue to use Bright Wheel to communicate with Teachers and Staff, we appreciate the feedback and interest as well as concerns.
- Please make sure you bring extra clothes, diapers, wipes.

- Please listen to the GMCS announcements regarding school delays and closures.

We encourage parents to make sure children have warm coats, gloves, and beanies, for outdoor play. Fresh air is important for both the physical and emotional health of young children.
